THE MOST  
EXCITING GOLF  
COURSE IN  
WALES

# WELCOME

There are great views and there are great golf courses, rarely do they come together with such perfection as they do at Langland Bay.

High above the golden Gower sand is a cliff top clearly designed by nature with only one purpose in mind, breathtaking golf.

With 360-degree elevated views, south across the spectacular Bristol Channel and north to the Brecon Beacons.

This is Langland Bay, where every drive has an astonishing backdrop and every club in the bag has a part to play. The views are never the same, yet always breathtaking.

“A TRUE GEM OF A COURSE”  
*Golf World*

*"Langland Bay Golf Club is a lovely course with smashing views and the people are very friendly and let me get on with my game without any fuss. We've bought a property nearby, but unfortunately because of my work and commitments I don't play the golf course often enough".*
